## \*\*\*\*\*Residential Systems\*\*\*\*\*

**With today's technology residential video systems are affordable and extremely useful for security of your home, valuables and loved ones.**

**From any TV in the house or from work over the Internet be able to view from every camera outside and inside (if desired) your house in real time or recorded video**

- Be able to look in the backyard, driveway or anywhere there is a camera from the comfort of your easy chair, bed or kitchen anytime
- Be able to see who is at the front door
- From work or vacation be able to look at your home remotely
- Be able to review recorded video and see all incidents
- Recorded video allows you to see who visited and where they went when you were not home.
- See your contractors mowing the lawn, cleaning the pool etc
- Be able to watch your children in the backyard or pool playing
- See who is at the pool and who shouldn't be
- Be able to watch the babies room
- Add a nanny camera to the security of your family, open or covertly

**These are only some of the benefits of on-site 24/7 recorded video, on-site viewing and remote viewing. Call us today for more information on how to secure your home, family and business**
